

It is hard to believe that Hudson Dance and Tumble Center has now been open for 2 full years! We would like to take this opportunity to thank all of our dancers and their families for their support and commitment. We are so excited to begin registration for 2010-2011! We will be having a recital in the spring. Please read on for important information regarding policy revisions, payment information and preliminary recital information.

The non-refundable family registration fee will remain \$30.

This deposit holds your child's spot in the class and therefore we may be turning another student away. Please be sure of your child's schedule before registering. Refunds for tuition payments will require a doctor's note.

Our plan is to have the recital in April 2011. As soon as we have an exact date we will let you know. Costumes will need to be ordered by December. Costume fees are also non-refundable/non-transferable and will be due December 15th. Please budget \$100 per student per class for costume fees(costume, shoes, tights). Tickets for the recital will be available in March. The exact date will be announced in early March.

A few other reminders:

Proper dress is required for class. Please check our website www.hudsondance.com for the dress code.

Ballet students who are on pointe are required to take 2 ballet classes per week.

If you know in advance that your child will not be in class, please let us know. Please call or email the studio.
